OLETA O'CONNOR YATES vs. UNITED STATES

Deny

Motion for leave to file Amicus Curiae

The American Civil Liberties Union, So. Calif. Branch wishes to file. It filed in the 9th CA when the case was there without opposition of the U.S. Attorney. There is no indication that the U.S. Attorney consented or objected.

It would not appear that the granting of the petition would add anything of import to this case.

DENY
