**LEGATION OF THE UNITED STATES,**

Austin, July 6th, 1845.

To the Hon. THOS. J. RUSK,

President of the Convention of Texas, now in session:

Sir,—The undersigned, Chargé d'Affaires of the United States, has the honor to acknowledge the receipt of your note of the 5th
inst., transmitting a certified copy of the Ordinance adopted by the Convention of Texas, accepting the proposals, conditions, and guarantees contained in the first and second sections of the Joint Resolution of the Congress of the United States, for the admission of Texas as a State of the Union.

This Ordinance shall be immediately forwarded by a special messenger to the President of the United States, who will receive it with the gratification its dignity and importance are so well calculated to produce in every patriotic heart. Texas has thus manifested to the world with a unanimity unparalleled in the disposition of a debated political question, her preference of an association with the Republican States composing the Federal Union, over all the advantages, real or imaginary, that were held out to her as a separate nation. With a discrimination quickened by her contact with foreign influences, she has learned in her battle fields, and in her civil experience, the necessity of union among the votaries of freedom: and in voluntarily agreeing to take her place hereafter as a sovereign member of the American confederacy, she has paid a tribute to the cause of popular government which will command the admiration of the world.

From the date of this Ordinance, Texas will have acquired a right to the protection of the United States, and the undersigned is happy to inform you, that the President of the United States has taken steps to afford this protection in the most effective manner against future Mexican and Indian invasion.

That the deliberations of the Convention, thus far distinguished by calmness and prudence, may produce a Constitution for Texas as perfect as her trials in the achievement of her liberty and independence have been great and triumphant, is the sincere hope of both the Government and people of the United States. To the expression of which, the undersigned begs leave to add the satisfaction with which he subscribes himself with sentiments of great regard for yourself and the Honorable body over which you preside,

Your very obedient servant,

A. J. DONELSON.

Mr. Anderson, offered the following resolution:

Resolved, That the Standing Committees which have been appointed, be required to enter upon the discharge of the duties assigned them, and that they report to this body the result of their deliberations, at as early a day as practicable.

Be it further resolved, That so soon as the different committees are prepared to submit their reports to this body, it is hereby
made the duty of the committees to confer together through their chairman, so that they may be enabled to present their Reports at one and the same time, for the action of the Convention.

The vote being taken on the adoption of the resolution, it was rejected.

Mr. Miller, chairman of the committee on Privileges and Elections, made the following report:

**COMMITTEE ROOM, July 7th, 1845.**

*To the Hon. Thos. J. Rusk,*

*President of the Convention:*

Your committee, to whom was referred the memorial of the citizens of Galveston, asking that Memucan Hunt be admitted to a seat in this Convention, as a third delegate from Galveston county; and of Jefferson W. Oliver of the county of Sabine, praying that he be admitted to a seat in this Convention, as an additional Delegate from the said county of Sabine, have had the same under consideration, and ask leave to make the following report:

After due consideration of the reasons urged by the memorialists, and a careful examination of the evidences upon which they respectively found their claims to additional representation, your committee are fully persuaded, that in making up their decision, they cannot go beyond the Proclamation of the President, apportioning the number of Delegates; for however informal and without authority the action of the President may have been, its ratification by the Legislative Department of the Government, and general acceptance by the people, have clothed the same with all the effect and force of a law of the land.

Your committee are therefore of the opinion, that neither the county of Galveston, or Sabine, is entitled to further representation in this Convention; and that the prayer of the petitioner shall not be granted.

J. B. MILLER, Chairman.

On motion of Mr. Moore, the report of the committee was ordered to lie on the table until to-morrow morning.

Which was rejected.

The question was then taken on the resolution of the committee, and adopted—by ayes and noes as follows:

No—Mr. Evans.

Mr. Mayfield moved that a copy of the resolution be transmitted to the President of Texas by the Secretary. Carried.

Mr. Everts presented the memorial of Horace Bunham, praying to be admitted as a member of this body, from the "Trinity Colony," which was referred to the committee on Privileges and Elections.
