ber of votes received by him, would be 242, leaving a majority over the Hon. Charles S. Taylor, of three votes; and that the said W. B. Ochiltree received, therefore, the third highest number of votes cast by the citizens of Nacogdoches.

With these facts before them, your committee are of opinion that, in deciding between the claims of the memorialist and the present occupant of the seat claimed, they can only be directed by what they deem to be the express will of the electors. From the best evidence before them, and the peculiar circumstances of the case, your committee are satisfied that the nine votes polled for "Hugh Ochiltree," were clearly intended for W. B. Ochiltree; and that the said W. B. Ochiltree, having received the third highest number of votes polled, is, therefore, duly entitled to a seat in this Convention, as the third delegate from the county of Nacogdoches.

Your committee submit the facts above stated to the consideration of the Convention, and recommend the adoption of the following resolution:

Resolved, by this Convention, That W. B. Ochiltree, having received the third highest number of votes given by the citizens of Nacogdoches, at the late election for delegates, is, therefore, entitled to the seat now occupied by the Hon. Charles S. Taylor.
