Memo From: W. J. Neugebauer

After reading this article I would like to know your definition of ILLEGAL. Do we have two meanings? Frankly I am damn sick and tired paying taxes for food stamps for Juarez.

Your decision is a bum one and it reminds me of the great Supreme Court when you get a 5-4 decision. Somebody doesn't know what the hell is going on.

Very truly yours,

W. J. Neugebauer

Your name is justice!
