Judge William Wayne Justice
P.O. Box 330
Tyler, TX 75701

Dear Judge Justice:

By definition of the word illegal used to describe aliens who are in the United States without proper authorization, illegal aliens are not entitled to the rights and privileges afforded United States or Texas citizens under their respective Constitutions.

Your most recent, absolutely absurd ruling that illegal aliens be included in the Texas Public School System under the same terms as Texas citizens is a complete abortion of the rights due those whose ancestors bought and paid dearly for the individual freedom encompassed in the Declaration of Independence and the Constitutions of the United States and Texas.

Sincerely,

Robert H. Townsend
