Mrs. R. E. Knox
Chairman of Bi-Racial Committee
3321 Belmead Lane
Tyler, TEXAS 75701

Dear Mrs. Knox:

May I ask the Bi-Racial Committee to investigate the judge's scoring of Boulter's Majorette election concerning the erasing on the candidates score sheets. There is a question in my mind that my daughter La Gail Halton and the candidate with the lowest winning score may have been changed in discriminatory efforts.

I also ask the Committee to view the score sheets in regards to the voting patterns and consistency of the judges.

Your attention to this matter is greatly appreciated.

Sincerely,
Rosie Halton
