COMMITTEE ROOM, July 10, 1845.

Hon. THOS. J. RUSK,
President of the Convention :

The committee to whom was referred the petition of John G. Chambers, praying that he may be admitted to a seat in this Convention, as a delegate from Bowie county, have had the same under consideration, and directed me to make the following report :

They are clearly of opinion, that this case comes under the rule or principle reported by this committee in the case of Galveston and Sabine, and sustained by this House. The committee therefore recommend the adoption of the following resolution :

Resolved by this Convention, That John G. Chambers is not entitled to a seat in this House from the county of Bowie.

Which report and resolution were read and laid upon the table to come up among the orders of the day.

Mr. Mayfield introduced the following resolution :

Resolved, That a select committee be appointed by the President of the Convention, to consist of seven, whose duty it shall be to enquire into the expediency of ceding and granting to the United States of America, the authority forthwith to occupy and enjoy for the use of the United States forces, all public edifices, fortifications, barracks, ports and harbors, navy and navy yards, docks and magazines, and all other property and means pertaining to the public defence, belonging to said Republic, exclusive of all arms, armaments, ammunition and munitions of war, which shall be reserved by said Republic until the act of annexation is consummated ; and further, to enquire into the expediency of vesting the Legislature of the State with the power of ceding and granting to the Government of the United States acres of land upon the western, southwestern, and northern frontier and boundaries of the Republic, for the purpose of creating and establishing ports, harbors, forts, barracks, and fortifications upon the Rio Grande, and on the line of frontier from said boundary, through or above the Cross Timbers to the Red River ; and also the propriety of vesting the Legislature with the power of ceding and granting to the United States the public domain of Texas upon the condition of the assumption of the public debt, and making ample provisions for common schools, and educational purposes ; and that the United States pay the expenses incidental to annexation, and of vesting the Legislature with power to ascertain the amount and character of the public debt.

Which resolution was, under the rule, laid on the table one day for consideration.

Mr. Parker presented his credentials as a delegate from Houston county, which, on motion of Mr. Lumpkin, was referred to the committee on Privileges and Elections.

THE ORDERS OF THE DAY.

were then taken up.

The question was then taken on the resolution of Mr. Van Zandt, referring back to the people the contested election between Messrs. Taylor and Ochiltree from Nacogdoches county, when the ayes and noes stood as follows:

R., Lewis, Lumpkin, Lipscomb, McGowan, McNeill, Miller, Moore, Navarro, Parker, Rains, Runnels, Smyth, Standefer, Tarrant, Wright and Young—38.

So the resolution was lost.

Mr. Moore moved to recommit the resolution of the committee on Privileges and Elections, to the same committee, with power to send for persons and papers. Lost.

Mr. Moore asked to be excused from voting, which request was refused by the Convention.

On motion of Mr. Wood, a call of the House was made.
