Hon. THOS. J. RUSK,

President of the Convention:

The select committee, to whom was referred an ordinance on the subject of contracts for settling colonies, made with the Government of Texas; also, the substitute, as amended by the Convention, for the 21st section of the General Provisions, and the substitute offered, and several resolutions in relation to the subject, have had the same under consideration, and, in obedience to the instructions given, beg leave to report, that this committee would respectfully recommend that the 21st section of the Gene-

ral Provisions, and the substitute and amendment thereto, and the one offered, be rejected; and they recommend the adoption of the substitute for the ordinance heretofore reported, in lieu of the same. All of which is submitted.

ABNER S. LIPSCOMB,
Chairman of Select Com.

ORDINANCE.

Whereas, various contracts have been entered into, by the President of the Republic of Texas, with divers individuals, with the expressed intention of colonizing an enormous amount of the public domain of Texas; and

Whereas, it is believed that said contracts are unconstitutional, and, therefore, void from the beginning; and in their operations, if carried out, would operate as a monopoly of upwards of seven millions of acres of the public domain of Texas, in the hands of a few individuals, when, in truth, the citizens, soldiers and creditors of the Republic of Texas had, by the laws and Constitution of said Republic, a clear and indisputable previously subsisting right to locate upon the public domain thus attempted to be assigned to said contractors; therefore,

It is hereby ordained and declared; That it shall be the duty of the Attorney-General of this State, or the District Attorney of the district in which any portion of the colonies may be situate, as soon as the organization of the State shall be completed, to institute legal proceedings against all colony contractors who have entered into contracts with the President of Texas; and if, upon such investigation, it should be found that any such contract was unconstitutional or illegal in its inception, or that the conditions of the same had not been complied with, according to its terms, such contract shall be adjudged and decreed null and void: *provided*, however, that all actual settlers, under any such contract, shall be entitled to their quantity of land as colonists, not to exceed six hundred and forty acres to the head of a family, and three hundred and twenty acres to a single man. And in all such suits, brought by or against any contractor, it shall be lawful for the adverse claimant to set forth any plea that it would have been competent for the State to plead; and the party may introduce testimony to prove the claim or title to have been forfeited, as well for frauds or illegality, or unconstitutionality in its inception, on account of a failure to comply with the conditions of the original grant or contract; and any such pleas shall be deemed good and valid in law, in all such suit or suits in this State.

Y*

And be it further ordained, That this ordinance shall be presented to the people for their adoption or rejection, at the same time this Constitution shall be presented to them; and the returns of the votes taken on this ordinance, shall be made to the office of the Secretary of State of the Republic of Texas, at the same time the votes for the Constitution may be returned.

On motion of Mr. Lewis, the report of the special committee, and ordinance, were taken up.

Mr. Mayfield offered the following, as a substitute to the ordinance of the special committee :
